

For first teaching
from September 2017

WJEC/Eduqas Media Studies for A Level & AS

Entered into the WJEC/Eduqas official endorsement process, these new student books offer high quality support you can trust

- Written by experienced Media Studies teachers and examiners, Christine Bell and Lucas Johnson, these engaging resources will encourage your students to become confident, independent learners and develop their skills as Media students
- All areas of the new specification are covered and supported by numerous highly-illustrated examples taken from the set products and optional choices.
- The theoretical framework underpinning media studies is explored and applied to a range of media forms and products
- A dedicated chapter on the Non-Examined Assessment element of the specification provides clear guidance on how your students will be assessed
- Exam guidance sections introduce students to practice questions and the new assessment objectives helping students with the skills they need for assessment
- Extension tasks will help to stretch and challenge higher ability students
- The Year 1 and AS Student Book supports students taking Media Studies for the first time, as well as those who are progressing from GCSE
