Online Exam Review (OER)

[Online Exam Review](#) provides a number of marked candidate responses to key questions in an interactive format. Here you will find a collection of interactive units that bring together a number of elements including general data, exam questions, their marking schemes and examiner comments, which will lead you through a review of exam questions.

Some exemplars from the Summer 2018 examinations are now available on the public website; further materials will be available in the near future. If you are accessing the documents using Chrome as a browser, you will need to disable the Chrome PDF Viewer to open them.

GCSE Vocabulary

Centres are reminded that GCSE vocabulary lists subsume vocabulary taught at key stage 3. Information regarding prior learning and progression is set out in Section 1.2 of the specification: *This specification builds on subject content which is typically taught at key stage 3* Assessments will, therefore, include content that is covered prior to key stage 4.

The WJEC Eduqas MFL Team would like to wish candidates good luck in their forthcoming exams.
