

WJEC/EDUQAS Entry Pathways Newsletter

Welcome back!

We hope you had a relaxing break over the Summer and that you and your learners are feeling excited for the new academic year. Please find below several updates and pieces of information that you will need to begin this term.

New Candidate Assessment Pack

We are pleased to announce that a new Candidate Assessment Pack is available via the new Entry Pathways landing page. The new Entry Pathways landing page(s) can be found here:

The new Candidate Assessment Pack gathers the required declarations needed for assessment and external moderation in an easy-to-use booklet. This Candidate Assessment Pack should be used as a priority for the Winter 2027 Series onwards.

GDPR Documentation and Witness Statements

Please ensure that when submitting work for external moderation all GDPR documentation has been included with the uploaded sample of learner work. Both the GDPR documentation and the Witness Statement can be found within the individual Entry Pathway webpages as required.

Moderating for WJEC/EDUQAS

There may be opportunities to become an appointee and moderate for WJEC/EDUQAS in summer 2027. As a Moderator, you will gain invaluable insight into the assessment process at WJEC/EDUQAS, enhance your skill set, and increase your understanding of the subject content.

Moderator training conferences in 2027 will be held online via Teams. We welcome Welsh medium applications for all Units. Please register your interest now. Full details can be found on our Appointees page at WJEC/EDUQAS Appointees Application [WJEC Appointees Application](#)
