## WJEC/EDUQAS Entry Pathways Newsletter

### Resources

We are pleased to announce that the new Candidate Assessment Pack is available via the new Entry Pathways landing page. The new Entry Pathways landing page(s) can be found here:

The new Candidate Assessment Pack gathers together the required documentation needed for assessment and external moderation in an easy-to-use booklet. This Candidate Assessment Pack should be used as a priority for the Summer 2026 Series onwards however, legacy documentation will still be accepted provided they contain the most current authentication that includes the AI declaration. Assessment Record Sheets should still be submitted with candidate samples as usual.

### GDPR Documentation

Please ensure that when submitting work for external moderation that all GDPR documentation has been included with the uploaded sample of learner work. GDPR documentation can now be found as part of the new Candidate Assessment Pack.
