Approaches to fieldwork Eduqas GCSE Geography A and B

Further guidance on how each of these approaches could be taken in a variety of contexts (e.g. coastal, urban or river) is provided on the Eduqas website.

For those teachers who wish to plan fieldwork over the longer term, Eduqas confirms that the following approaches to fieldwork should be taken in the following exams series:

Year of assessment	Methodological approach	Conceptual framework
~~2018~~	~~Use of transects~~	~~Sphere of influence~~
~~2019~~	~~Geographical flows~~	~~Mitigating risk~~
~~2020~~	~~Qualitative surveys~~	~~Sustainability~~
~~2021~~	~~Change over time~~	~~Cycles and flows~~
~~2022~~	~~Qualitative surveys~~	~~Place~~
~~2023~~	~~Use of transects~~	~~Inequality~~
~~2024~~	~~Change over time~~	~~Mitigating risk~~
~~2025~~	~~Geographical Flows~~	~~Sustainability~~
2026	Qualitative surveys	Cycles and flows
2027	Change over time	Sphere of Influence
2028	Use of transects	Place
2029	Geographical Flows	Inequality
2030	Qualitative Surveys	Mitigating Risk
