Dear Mrs Bushell

**Re: WJEC Level 3 Certificate and Diploma in Health and Social Care**

I am writing this letter in support of Level 3 Certificate and Diploma in Health and Social Care as developed by WJEC. The course suitably assesses the skills, knowledge and understanding in Health and Social Care that provides an opportunity for capable and motivated learners to progress to health related HE vocational programmes.

The Level 3 Certificate and Diploma in Health and Social Care provides clearly structured content and assessment criteria that aims to provide learners with underpinning knowledge and skills relevant to the employment sector.

Yours sincerely
