Level 1/Level 2 Global Business Communication Unit 2 Grade Points – January 2022

The grade boundaries for each unit are shown below. Component marks at key grade boundaries are aggregated to create a total mark, which is used to calculate the overall unit grade for each candidate.

The grade boundaries for each component are also shown below. The highlighted grade boundaries were set using professional judgement.

Component boundaries are 'notional' and intended only as a guide to aid centres with their analysis, and are not official grades. Please note that notional component grade boundaries which have been derived arithmetically may not add up to the overall unit-level boundary.
