

# AUTUMN NEWSLETTER

## A LEVEL SCIENCES

### ADAPTATIONS TO 2022 ASSESSMENTS

The adaptations tab on each of the GCE science web pages provides information on the adaptations that have been agreed for 2022. Under each tab there is:

- Cross board messaging for the practical endorsement

### RESOURCES

– all of the following are available on the [resources](#) website.

- Knowledge Organisers for Biology / Chemistry / Physics
- Exam walk-throughs for summer 2019.  
Biology – Components 1, 2 and 3  
Chemistry – all components coming soon  
Physics – Component 1 and components 2 and 3 coming soon
- Blended learning resources coming soon for all components for Biology / Chemistry / Physics

### PROFESSIONAL LEARNING EVENTS

- The following free pre-recorded webinars area available on the GCE Science web pages under the training tab and then the webinars tab
  - Preparing learners for Biology assessments
  - Preparing learners for Physics assessments

Booking is now available for the following live webinars:

- [GCE Biology - Approaches to teaching the more difficult concepts](#)
- [GCE Chemistry - Approaches to teaching the more difficult concepts](#)
- [GCE Physics - Approaches to teaching the more difficult concepts](#)

### LEVEL 3 MEDICAL SCIENCE

We offer this qualification as an alternative to the A level Sciences. If you require any information on the qualification, then please email [science@eduqas.co.uk](mailto:science@eduqas.co.uk)
