FREE ACCESS TO SCRIPTS

Candidate exam scripts for Summer 2024 can be accessed free, via [Portal](#) (WJEC secure website).

SUMMER 2024 PAST PAPERS, MARK SCHEMES AND EXAMINERS' REPORTS

Exam papers and mark schemes for Summer 2024 are now available on [Portal](#).

Examiners' Interim Reports for Summer 2024 are available on our Electronics webpages - [A/AS level](#) & [GCSE](#). Full reports will be available from 30-Sept-24

AUTUMN TERM PROFESSIONAL LEARNING COURSE MATERIALS

Our new Assessment Feedback Package for 2024-25 is an opportunity to gain a deeper understanding of how assessments are marked or moderated. This integrated suite of resources and training brings together free access to Principal Examiner reports, marked scripts, and online assessment feedback sessions.

For Electronics, pre-recorded CPD presentations for the Summer 2024 series will be available on [Portal](#) from 15-Nov. These provide feedback on the GCSE and A level exams and NEA. Exemplar material will include responses to exam questions and NEA work, with a commentary.

To access the Electronics CPD materials:

Log in to [Portal](#), choose 'All Services', 'Resources', then 'Subject-Specific Support Materials inc CPD & Exemplars'. Select Subject 'Electronics', Brand 'Eduqas' and Type of document 'CPD'.

TEACHING RESOURCES

Available on our Resources websites - [A/AS Level](#) & [GCSE](#):

Electronics eBooks

The free eBooks cover all topics of the GCSE, AS and A level specs in detail, with worked examples and questions. Answers to the questions in the eBooks can be accessed via [Portal](#).

Knowledge organisers

These are available for each topic in the GCSE and A level specs. These can be used for revision or as a starting point for students to create their own knowledge organisers.
