Entered into the WJEC Eduqas official endorsement process, this new student book offers high quality support you can trust:

- Written by experienced Film Studies teachers and examiners, Jackie Newman, Dave Fairclough, Kelly Fincham and Julie Patrick, this brand new student book helps provide both the knowledge and understanding of films important in the development of both film and film technology.
- There is a clear focus throughout on applying knowledge and understanding creatively to screenwriting and filmmaking.
- A dedicated chapter on the Non-Examined Assessment production element of the specification provides clear guidance on how your students will be assessed.
- Highly illustrated with interesting and engaging visuals to engage and motivate students.
- Direct reference to film sequences, stills, criticism, reviews and screenwriting help guide the close analysis of key areas.
- Exam guidance section introduces students to practice questions and the new assessment objectives helping students with the skills they need for assessment.
