Results

Use the WJEC Eduqas Secure Website to access your centres results, item level data and grade boundaries for your learners. Your examinations officer will be able to provide you with a log in and access. https://www.wjecservices.co.uk/login.asp

Examiners' report

These provide a detailed breakdown of the strengths and weaknesses of responses. The Principal Examiners have been very clear in stating what they are looking for to award marks each question and Assessment Objective. This feedback can be used for developing T&L strategies and for discussion in departmental meetings. Examiners Reports are available on the secure website. Your examinations officer will be able to provide you with a log in and access.

Continuing Professional Development

CPD sessions will be available across the country during October and November. These will provide the opportunity to receive feedback from the summer examinations and to develop teaching and learning strategies.

CPD can be booked via https://eduqas.ticketsolve.com/shows/873593060

Geography Network meetings

In addition to CPD we are also running some network meetings across the country. These meetings are for existing and prospective teachers of Eduqas GCSE and GCE Geography. They will provide an opportunity for teachers to be guided through the online digital resources and other support by a member of our regional team. We hope that this will
enable participants to share approaches and ideas for using these in the classroom, and lead to the creation of local Geography networks.

PLEASE NOTE THAT THESE EVENTS WILL NOT COVER THE SAME GROUND AS THE AUTUMN CPD AT WHICH WE WILL BE REVIEWING THIS SUMMER’S EXAMINATIONS.

Please book your place – one per centre – here: https://eduqas.ticketsolve.com/shows/873595468

Component 3 - Approaching Fieldwork

Here is a reminder of the fieldwork approaches over the next few years.

<table>
<thead>
<tr>
<th>Exam Series</th>
<th>Methodological Approach</th>
<th>Conceptual Framework</th>
</tr>
</thead>
<tbody>
<tr>
<td>2019</td>
<td>Geographical Flows</td>
<td>Mitigating Risk</td>
</tr>
<tr>
<td>2020</td>
<td>Qualitative Surveys</td>
<td>Sustainable Communities</td>
</tr>
<tr>
<td>2021</td>
<td>Change over time</td>
<td>Cycles and Flows</td>
</tr>
</tbody>
</table>

Some additional sample assessment material for both ‘Geographical Flows’ and ‘Mitigating Risk’ will be available in October.

There is further guidance for fieldwork available here.

Geography A: http://www.eduqas.co.uk/qualifications/qualification-resources.html?subject=GeographyA&level=GCSE

Geography B: http://www.eduqas.co.uk/qualifications/qualification-resources.html?subject=GeographyB&level=GCSE

Teaching and Learning resources

Please continue to check the resources pages of the website as we work to add more to support your teaching. An additional resource for using Maths in Geography has been developed.

http://resources.eduqas.co.uk/Pages/ResourceSingle.aspx?rId=1200

There will also be some further guidance for the fieldwork element of the 2020 assessments available. Guidance for ‘Qualitative Surveys’ and ‘Sustainable Communities’ will be uploaded soon.

Examining with Eduqas

As an Examiner you will gain an invaluable insight into the assessment process at WJEC Eduqas, enhance your skill set and also, increase the understanding of your subject. All of which can improve your teaching. Find out more here:

http://www.eduqas.co.uk/examiners-and-moderators/index.html
**Entry Pathways Humanities**

Entry Pathways is a flexible and personalised course, enabling centres to combine units to create programmes of study suited to individual learners’ needs.

Entry Pathways is suitable to use at any key stage. For example a centre could:

- integrate the units into its KS3 position
- enter less able groups at KS4
- enter certain candidates from within GCSE groups at KS4

Benefits of Entry Pathways are:

- You decide which units best suit your candidates.
- You decide which level best suits your candidates.
- You decide when you want to enter candidates to get credit for each unit.
- You can enter for units each January or each May. Any credits achieved through the course will be banked until candidates are ready to cash-in.

If you need any further information please feel free to visit our [website](#)
