CHANGES TO THE LEVEL 1 / 2 ENGINEERING SPECIFICATION

This is a polite reminder that the **600/8645/2 Level 1 / 2 Vocational Award in Engineering** is coming to an end this year (2022 - 2023). The final series will be summer 2023.

The qualification is being replaced by a new and improved specification set for first teaching September 2022. Details and information for the **603/7019/1 Level 1 / 2 Vocational Award in Engineering (Technical Award)** can be found [here](#).

SUBMISSIONS FOR UNIT 1 AND 2

9791 ENGINEERING DESIGN

9792 PRODUCING ENGINEERING PRODUCTS

All marks need to be submitted via the Internal Assessment Mark Input System (IAMIS) and sample requests uploaded no later than the 5th May 2023. Submissions must be in the form of 2 files per candidate named accordingly.

1 x Administration file named 'Candidate name + Admin' which includes Mark Record Sheet, GDPR Consent form and Assessor Performance bands form.

1 x Evidence file named 'Candidate name + Evidence' which includes all candidate work and information used to make the assessment judgements and decisions.

RESIT FOR UNIT 3 ONLY

Please be aware that we have decided that there will be a resit opportunity for Unit 3 only in January 2024. The examination timetable will be published on the website in the near future.

EXAMINATION TIMETABLE

The examination timetables for the summer 2023 series can be found [here](#). The examination for Unit 3: Solving Engineering Problems will be on Thursday the 25 May 2023 (PM).

ONLINE EXAM REVIEW (OER)

There is now an online exam review resource available [here](#). Please visit the website, select engineering in the subject field and select Level 1 / 2 in the level field.

RECRUITMENT

We are currently looking to grow our engineering team with the release of the new qualification. We are actively recruiting and seeking examiners and moderators. Please click [here](#) for more information, if you are interested in applying.

NEXT NEWSLETTER

The next newsletter will be available after the summer holidays in 2023. In the meantime, if you have any queries on anything to do with WJEC Level 1 / 2 Engineering please get in touch.
